

Monthly News Letter

~ February 2017 ~

Oak Hills Membership,

As we close out January with a Budget in place we are seeing that our projections for at least the first month of the New Year have been very good. We are ahead in most revenue areas and are right on track with planned expenses. Our ice machine has gone down so that will be an unplanned expense.

Our rate increases for daily dues and food and beverage items are in place and so far they have been well received. We are ahead of budget projections in these areas since we have had such a mild winter so far.

We have started to accumulate a significant number of members not paying their accounts in full each month and or waiting until the end of the month to make a payment. Therefore the board has approved reinstating a monthly late fee starting in February for bills that have not been paid by the 15th of the month. Any member account not paid in full by the due date will be assessed a \$10 late fee. If this goes into a second month the late fee will go to \$20 and by the end of the second month if the account is not paid in full the membership will be placed in a non-playing status until the account is paid in full. Any member that has a special circumstance to be considered needs to address it to the Finance Chair - Jerry Fagg or the General Manager - Brent Edmister to be considered for extensions or adjusted due dates.

Anyone still wishing to pay their dues in full for the season, has until the 5th of February to contact the General Manager to get your set rates and make your payment. The new rates approved at the annual meeting will be billed on February 1st.

Opening More Weekend Morning Tee Times ~

Starting in March we will be opening the Back Nine from 7 to 8am for online booking to help boost our revenue. This allows our monthly and annual members to continue to have the priority off the first tee from 7 to 10am with daily members able to fill in times that are not used during this time.

2017 Tournament Schedule ~

The Tournament Committee has drafted the schedule for the 2017 season. There have been several new events added to add excitement to the season as well as to raise funds for course improvements, primarily the extension of the 8th hole to a par 4. Additionally, each of the club events entry fee has been raised \$5 to be set aside from each event to go into the renovation budget. You can see the schedule on the reverse side of the newsletter.

Members Wishing to Resign ~

Members who are planning to resign in the future will now be required to sign a resignation letter. At the time you notify the club of your planned departure we will print the letter for you to sign and place a copy in your file.

To the Oak Hills Board of Directors,

I leave in good standing with all my debts paid to the club. I understand that I am liable for the dues of any month through the end of the month that I choose to resign.

I understand that if I wish to return as an annual member to the club in less than a year's time I will be required to pay \$50 for each month that I was gone. If I choose to return after a period of 12 months I will pay the current initiation fee in place at the time that I wish to rejoin.
