

Monthly News Letter

~ February 2019~

Board Notes

We are looking for 2-3 persons to work in the food area and pro shop through the main golf season. They would work 20-30 hrs a week.

We are doing well on signing Anniversary members. We will mail out 25,000 post cards that will cover a 23 mile radius of our club promoting our membership drive.

Red Flags

If you have a handicap placard or a handicap car tag, you can use a Red Flag. These flags may be purchased in the pro shop for a \$10 fee.

Tee Times

Anniversary Members can book tee times 3 days in advance by going to our website www.oakhillsgolfcoursetn.com. Click member log in and put "golf" in for the pass word. That will then bring up the tee sheet for you to book.

Superintendent Notes

Matt Powell will be working with us to make sure our chemicals are used properly and when needed. Matt has years of experience as a superintendent.

As you can see our course is having more play. Please correct in a nice way any situations that are violations on the course.

We plan to have marshals when the golf season starts. If you or anyone you

know would marshal, please let a board member or Amy know.

We are getting recommendation on how to repair #16. We are looking for any suggestions from anyone as how to repair #16.

Did you Know?

1983 France's LaJenny Golf Course opens, catering exclusively to naturists (golf shoes and gloves are allowed)
